

Product	Description	Removable	Comments	Industries & Markets
4010	<ul style="list-style-type: none"> Rust prevention up to 12 months Black Semi-transparent .75 lbs/gal VOC 	No	Protects ferrous and nonferrous materials from rust and corrosion. Can be applied over light rust.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Tubular, Engine Assembly
4024	<ul style="list-style-type: none"> Rust prevention up to 12 months Clear High gloss 1.0 lbs/gal VOC 	No	Protects ferrous and nonferrous materials from rust and corrosion. Can be applied over light rust.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Tubular, Engine Assembly
5050	<ul style="list-style-type: none"> Rust prevention up to 12 months Transparent Zero VOC 	Yes (8077 Remover)	Protects painted and unpainted surfaces from rust and corrosion during temporary indoor storage.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Aerospace, RV, Boat
5080	<ul style="list-style-type: none"> Paint protection up to 12 months Transparent Trace VOC 	Yes (8077 Remover)	Protects paint and chrome from environmental fall out including bugs, acid rain, iron filings and bird droppings. Can also be applied over aluminum for rust protection. Must not be applied on bare metal.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Aerospace, RV, Boat
5080R	<ul style="list-style-type: none"> Paint protection up to 12 months Transparent Trace VOC 	Yes (8077 Remover)	Protects paint and chrome from extreme environmental fall out including bugs, acid rain, extreme iron filings, and bird droppings. Can also be applied over aluminum for rust protection. Must not be applied on bare metal.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Aerospace, RV, Boat
5506	<ul style="list-style-type: none"> Paint protection up to 6 months White Zero VOC 	Yes (Soap & Water)	Protects paint and chrome from environmental fall out including bugs, acid rain, iron filings and bird droppings. Can also be applied over aluminum for rust protection. Must not be applied on bare metal.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Aerospace, RV, Boat
6027	<ul style="list-style-type: none"> Rust prevention up to 12 months Clear High gloss 0.6 lbs/gal VOC 	No	Protects ferrous and nonferrous materials from rust and corrosion. Can be applied over light rust and painted surfaces.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Tubular, Engine Assembly
6028	<ul style="list-style-type: none"> Rust prevention up to 36 months Clear Satin gloss 0.7 lbs/gal VOC 	No	Protects ferrous and nonferrous materials from rust and corrosion. Can be applied over light rust.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Tubular, Engine Assembly
6128	<ul style="list-style-type: none"> Rust prevention up to 36 months Clear Satin gloss 0.8 lbs/gal VOC 	No	Protects ferrous and nonferrous materials from rust and corrosion. Can be applied over light rust. Higher solids and quick dry time.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Tubular, Engine Assembly
6210	<ul style="list-style-type: none"> Rust prevention up to 36 months Black High gloss 0.7 lbs/gal VOC 	No	Protects ferrous and nonferrous materials from rust and corrosion. Can be applied over light rust.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Tubular, Engine Assembly
6228	<ul style="list-style-type: none"> Rust prevention up to 36 months Black Satin gloss 0.7 lbs/gal VOC 	No	Protects ferrous and nonferrous materials from rust and corrosion. Can be applied over light rust.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Tubular, Engine Assembly

Product	Description	Removable	Comments	Industries & Markets
7032	<ul style="list-style-type: none"> Porosity sealant up to 12 months Clear Trace VOC 	No	Seals porosity on aluminum castings, steel castings, and carbon fiber components without pressure or vacuum. Final top coat must be applied.	Industrial, Manufacturing, Aerospace, Engine Assembly
8077	<ul style="list-style-type: none"> Remover Biodegradable Transparent 0.6 lbs/gal VOC 	N/A	Removes 5050, 5080 and 5080R Coatings.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Tubular, Aerospace, RV, Boat
Kwik Kleen	<ul style="list-style-type: none"> Cleaner Biodegradable Transparent 0.6 lbs/gal VOC 	N/A	Can be used to remove grease, oil, dirt, tar and road grime.	Industrial, Manufacturing, Agricultural, Truck, Auto, Mining, Railroad, Tubular, Aerospace, RV, Boat
9201	<ul style="list-style-type: none"> Surface protection up to 12 months Transparent 0.2 lbs/gal VOC 	Yes (Peelable)	Indoor premium coating may be used to protect any smooth, non-porous surface. May be used as replacement for paint masking. Also protects against anti-mutilation.	Paint Spray Booths, Industrial, Manufacturing, Aerospace, RV, Boat, Construction
9202	<ul style="list-style-type: none"> Surface protection up to 12 months White 0.2 lbs/gal VOC 	Yes (Peelable)	Indoor premium coating may be used to protect any smooth, non-porous surface. May be used as replacement for paint masking. Also protects against anti-mutilation.	Paint Spray Booths, Industrial, Manufacturing, Aerospace, RV, Boat, Construction
9203	<ul style="list-style-type: none"> Surface protection up to 12 months Blue 0.2 lbs/gal VOC 	Yes (Peelable)	Indoor premium coating may be used to protect any smooth, non-porous surface. May be used as replacement for paint masking. Also protects against anti-mutilation.	Paint Spray Booths, Industrial, Manufacturing, Aerospace, RV, Boat, Construction
9401	<ul style="list-style-type: none"> Surface protection up to 12 months Transparent 0.2 lbs/gal VOC 	Yes (Peelable)	Indoor economy coating may be used to protect any smooth, non-porous surface. May be used as replacement for paint masking. Also protects against anti-mutilation.	Paint Spray Booths, Industrial, Manufacturing, Aerospace, RV, Boat, Construction
9402	<ul style="list-style-type: none"> Surface protection up to 12 months White 0.2 lbs/gal VOC 	Yes (Peelable)	Indoor economy coating may be used to protect any smooth, non-porous surface. May be used as replacement for paint masking. Also protects against anti-mutilation.	Paint Spray Booths, Industrial, Manufacturing, Aerospace, RV, Boat, Construction
9403	<ul style="list-style-type: none"> Surface protection up to 12 months Blue 0.2 lbs/gal VOC 	Yes (Peelable)	Indoor economy coating may be used to protect any smooth, non-porous surface. May be used as replacement for paint masking. Also protects against anti-mutilation.	Paint Spray Booths, Industrial, Manufacturing, Aerospace, RV, Boat, Construction
9601	<ul style="list-style-type: none"> Surface protection up to 12 months Transparent Zero VOC 	Yes (Peelable)	Outdoor premium coating may be used to protect any smooth, non-porous surface. May be used as replacement for paint masking. Also protects against anti-mutilation.	Industrial, Boat, Construction
9602	<ul style="list-style-type: none"> Surface protection up to 12 months White Zero VOC 	Yes (Peelable)	Outdoor premium coating may be used to protect any smooth, non-porous surface. May be used as replacement for paint masking. Also protects against anti-mutilation.	Industrial, Boat, Construction
9603	<ul style="list-style-type: none"> Surface protection up to 12 months Blue Zero VOC 	Yes (Peelable)	Outdoor premium coating may be used to protect any smooth, non-porous surface. May be used as replacement for paint masking. Also protects against anti-mutilation.	Industrial, Boat, Construction

KATS Coatings® is an ISO 9001:2000, TS 16949 and ISO 14001 certified manufacturer and worldwide distributor of water based, environmentally friendly, fast drying permanent and temporary coatings, cleaners and removers. Our complete line of water based protective coatings includes products for the automotive, trucking, industrial, mining, construction, railroad, agricultural, aerospace, RV and manufacturing assembly industries.

For over 20 years, KATS Coatings® has maintained its reputation for quality products and attention to customer satisfaction.
